

2011 Ozaukee County Fairest of the Fair

Dear Fair Visitors,

Hello! My name is Molly Pfaffenroth, your 2011 Ozaukee County Fairest of the Fair. I am the 21-year old daughter of David and Diane Pfaffenroth. I was born and raised in Grafton with my three siblings, Jake, Lucas, and Lauren.

I am currently a senior at Cornell University in Ithaca, New York, where I am working towards a degree in Animal Science and Communication. My ultimate goal is to work for the government as a veterinarian, while exemplifying my passion for public speaking and communicating with others at the state and national level.

At Cornell, I am the Secretary and 2nd Vice President of Sigma Alpha Professional Agricultural Sorority, as well as a member of the Dairy Science Club. I have also been a resident advisor in the upperclassmen residence halls and a teaching assistant for several courses. I have met many extraordinary people through these experiences, and I have gained countless skills that will last my lifetime.

4-H has always been a very important part of my life- After 13 years as a member, I received the Wisconsin 4-H Key Award for my involvement, achievement, and leadership. My greatest 4-H memories are from showing dairy cattle at the Ozaukee County Fair, sewing my Prom dress, and attending various national 4-H trips- such as National 4-H Congress in Atlanta, GA. I was also a member of the State 4-H Drama Company and an Ozaukee County 4-H Ambassador. Currently, I am an adult leader for the 4-H Dairy Project, and I also organize the Tiny Tots Dairy Showmanship Contest at the Ozaukee County Fair.

I am truly honored to represent Ozaukee County as your 2011 Fairest of the Fair! I hope to instill new ideas within the program, be a positive role model for others, and promote Ozaukee County to the best of my ability. I will be present at various county events throughout this next year, such as Breakfast on the Farm and local parades. I hope to see you at the 2012 Ozaukee County Fair (August 1st-5th), where I will be crowning your next Fairest of the Fair!!

Sincerely,

Molly Pfaffenroth
Fairest of the Fair
