FEBRUARY, 2024

In approximately SIX months the Ozaukee County Fair will observe its 165TH anniversary. The major event, as in the past, will be the two days of competition for the demolition derbies. FRIDAY, August 2ND the competition begins at 6:30 PM and SATURDAY, August 3RD the competition begins at **6 PM.**

THE RULES AND REGULATIONS HAVE CHANGED. PLEASE READ THE ATTACHED RULES FOR **2024** AND THE DRIVER/PIT CREW GUIDELINES. **CHILDREN 9 AND UNDER ARE NOT PERMITTED IN CHECK-IN AREA OR PIT AREAS AT ANYTIME.** This rule has been added by the Oz. Co. Fair Board due to liability reasons.

The competition will be conducted as it has been in previous years. We will qualify drivers both days for the Grand Finale Championships that will be held ON SATURDAY EVENING. Thus, it will be to your advantage to compete the first night, and if you fail to qualify at that time, you will still be eligible to try again on SATURDAY. There will be a restriction of 125 entries per day. However, **no demolition cars or entries will be accepted into the gate after 5:30 PM Friday night and 5 PM on SATURDAY.** This will be enforced...with no exceptions! Fresh, new entries of cars will not be permitted to run in Saturday rerun heats.

Competition vehicles will be divided into separate heats. Compact cars and midsize cars will be combined into one heat unless we have enough of each to fill separate heats, Stock will have its own heat, Super Stock will also have their own heat. There will be two heats that contain Compact Pickups—one is 4wd the other 2wd, Same pertains to the Vans and SUV's. Full Size Pickups 2WD have a separate heat as well as the Full Size Pickups 4WD will have their own heat. Convertibles can also be utilized; **1977 & newer vehicles in SUPER STOCK class only.** The Amateur Heat (14-15 year olds) will also be repeated this year and the rules of Stock must be followed. You must have written permission from a legal guardian and submit a copy of their birth certificate. They will compete in one heat only—against kids in the same age group. ANY DISQUALIFIED DRIVERS WILL NOT BE PERMITTED TO COMPETE AGAIN DURING THIS WEEKEND EVENT. If disqualified at the check-in line there will not be refunds on entry money or pit passes.

In an effort to expedite registration, we are again assigning numbers in advance to those contestants who competed in 2023. LARGE plain numbers must be on the **ROOF and door panels (REMEMBER TO PLACE THE CORRECT LETTER AFTER YOUR NUMBER TO DESIGNATE WHICH TYPE OF HEAT YOU ARE IN—for example; Super Stock 200SS, Stock 200S, Midsize Car 200M, Compact Car 200C, Compact Pickup 200CP, Compact Pickup Four Wheel Drive - 200CP4X4 , or Full Size Pickup 200P, Full Size Pickup Four Wheel Drive - 200P4x4, Minivan 200V or Minivan Four Wheel Drive - 200V4x4, Amateurs just use their number.** Obviously, this is important since it will make you readily identifiable to the crowd in the grandstand and also to our announcer who can report your progress during the competition. **We would like to see more numbers displayed largely on Roof Tops this year and an "X" largely printed on Drivers Door** Your number for the 2024 competition is _____.

For your convenience, I am enclosing a registration form. Please fill the form out entirely (include car/truck number and letter) and enclose your check payable to GRAND MOTOR CRASH, INC. and mail to the address indicated above NO LATER THAN 7-20-24. To receive a confirmation of your desired date of competition and heat number please send a self-addressed, stamped envelope. The registration fee of \$60.00 is due by **7/20/24, if payment is received after 7/20/24 entrée fee increases by \$10.00.** Members of your pit crew will be charged \$20.00, which as you know provides insurance coverage while they are working in the pits.

You must enter at GATE ONE and haul your vehicles to the fairgrounds as per state traffic laws. You will be ticketed at the gate if you are not obeying the law. We are looking forward to seeing you again in 2024 and renewing those pleasant associations which have been developed over the past 59 years. Let me take this opportunity to wish you the best of luck in this year's competition. **NO ALCOHOL CARRY-INS ALLOWED--ALCOHOL IS NOT PERMITTED IN PIT AREA.**
