

Registration Form

Sponsored By T4 Insurance Solutions

For the eighth year in a row, we are offering you the opportunity to participate in the Ozaukee County Fair Scavenger Hunt. We will be hosting the scavenger hunt to encourage our fairgoers to journey to various commercial and food vendors across the fairgrounds to answer questions that relate specifically to each one of you! All successful scavenger hunters will be entered into multiple daily drawings throughout the fair with prizes like free tickets to our grandstand events, cash prizes and more!

To get involved in this great opportunity and increase your customer flow, you have two options:

1. Purchase a two day scavenger hunt participation pack for \$25
(One week day and one weekend day)
2. Purchase a five day scavenger hunt participation pack for \$40
(Wednesday, Thursday, Friday, Saturday and Sunday)

If this sounds like a great opportunity for you, please send us two to three question that we can include on the printed scavenger hunt game cards we will be handing out throughout the fair. It can be a question about a specific product, color in your display or object people will see in your booth. We want it to be something people can see easily without disrupting your business or without requiring a purchase. We've included some examples below but please feel free to call Christie Matter at (414) 380-1982 if you have any questions!

Question Examples:

Did you know that the Bookmobile has hundreds of books? What stuffed animal is hanging on the right corner of this booth?

What color is the tablecloth at Mary's BBQ stand?

How much is a Cream Puff at Steve's Pastries?

What is the raffle item of the week?
